

LEISTER WELDPLAST S4
Accessories List 2009

Picture & Description:	
	<p>Welding shoe complete, fillet weld for WELDPLAST</p> <p>119.159: Welding shoe complete, fillet weld 5/6 mm (a = 4.2 mm) 119.161: Welding shoe complete, fillet weld 8/10 mm (a = 7 mm) 119.163: Welding shoe complete, fillet weld 15 mm (a = 10.5 mm) 119.164: Welding shoe complete, fillet weld 20 mm (a = 14 mm) 119.165: Welding shoe complete, fillet weld 25 mm (a = 17.5 mm) 119.166: Welding shoe complete, fillet weld 30 mm (a = 21 mm)</p>
	<p>Welding shoe blank 70x50x47.5mm for WELDPLAST</p> <p>119.222: Welding shoe complete, blank 70 x 50 x 47.5 mm</p>
	<p>Welding shoe complete, Overlap for WELDPLAST</p> <p>119.188: Welding shoe complete, overlap 25 mm 119.190: Welding shoe complete, overlap 35 mm</p>
	<p>Welding shoe complete, V-seam X-seam for WELDPLAST</p> <p>119.193: Welding shoe complete, V-seam 5/6 and X-seam 10/12 mm 119.194: Welding shoe complete, V-seam 8/10 and X-seam 15/20 mm 119.195: Welding shoe complete, V-seam 12 and X-seam 25 mm 119.196: Welding shoe complete, V-seam 15 and X-seam 30 mm 119.197: Welding shoe complete, V-seam 20 and X-seam 35/40 mm 119.198: Welding shoe complete, V-seam 25 mm 119.199: Welding shoe complete, V-seam 30 mm</p>
	<p>Hot air guide on top WELDPLAST 4</p> <p>117.065: Hot air guide on top</p>
	<p>Hot air guide lateral WELDPLAST 4</p> <p>117.064: Hot air guide lateral</p>
	<p>Preheating nozzle large for WELDPLAST</p> <p>117.055: Preheating nozzle large</p>
	<p>Preheating nozzle small for WELDPLAST</p> <p>117.053: Preheating nozzle small</p>

	<p>Preheating nozzle medium for WELDPLAST</p> <p>117.518: Preheating nozzle medium</p>
	<p>Welding rod de-reeler, Hand extruder</p> <p>118.188: Welding rod de-reeler</p>
	<p>Welding shoe blank 50x40x38mm for WELDPLAST</p> <p>119.217: Welding shoes blank complete 50 x 40 x 38 mm</p>
	<p>Tool rest for WELDPLAST and FUSION</p> <p>118.804: Tool rest</p>
